

Mahogany & Merlot Vintage Hydroplane, Boat and Car Show

October 4-6, 2019
Chelan Waterfront Park & Lakeside Marina

Dear Washington Seaplane Pilot Association,

The Lake Chelan Chamber of Commerce along with the Hydroplane and Race Boat Museum put's an exhibition event on the waters of Lake Chelan the first weekend of October. **We would like to invite WSPA float plane pilots to come over and be a part of this event!!!!**

We have reserved a beaching area at Don Morse Park for exclusive float plane use. We will provide a security person to be at the planes while parked in Chelan. Please see the attached map image of the area.

We would like to have a demonstration of the float planes a couple of times on Saturday, if possible. The demo I'm thinking about is taking off and landing on the water. This would occur in between heats of the Hydroplane exhibitions on Saturday. We will coordinate times with you once we know how many aircraft plan to attend. Arrival by approximately 0900 on Saturday would be ideal.

We would be more than happy to provide a Saturday dinner voucher to the pilots that come over. If for some reason you would need to leave before dinner, we'll make sure you get fed first.

There will be many activities for families to take part in during the weekend from giant board games to live bands, grape crushing, wine tasting, a vendor village with over 20 vendors (if your group has any merchandise you sale we could set up a booth for you to sale your merchandise), beer garden and various food vendors.
